An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edna O'Connor on September 23, 2004.

The application has been amended as follows:

In claim 24, in lines 1-2 "according to claim 1" has been deleted and in line 14 – having a sleeve-- has been inserted after "container".

The following is an examiner's statement of reasons for allowance: Claims 1-23 remain distinguished over all of the prior art for reasons of record. Claim 24 distinguishes over all of the prior art of record for reasons of record and over newly cited Sinn et al patent 3,987,961 in view of the now recited sleeve.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
